Spontaneity!

Spontaneity is the ability to respond in an amazing way.

Once I asked my students what is the product of 7 and 11. I got an answer saying "They sell lots of products like water, milk, eggs, candy, money orders etc. Which product are you asking for?" with a ☺.

A child created a shortcut for Internet explorer and named it 'Enter net'.

A response to a question "What is Nine hundred Ninety Nine minus Ninety Nine?" is Nine hundred. When I asked to explain, the child showed $Nine\ hundred\ Ninety\ Nine - Ninety\ Nine = Nine\ hundred\ Ninety\ Nine = Nine\ hundred.$
