

## Cover story

Wish you a happy Telugu, Kannada & Marathi new year. Keeping Rama Navami in mind, we are giving this cover page. We would like to give a brief introduction of this book.

How many times we read the stories from Ramayan, Mahabharat etc., we still feel like reading them. How many ever writers wrote those stories as per their understanding, still they look new. There is always scope for learning more and more. That is the beauty of this treasure.

This book, written by Sri. Ainapurapu Venkata Surya Ramarao in early 1970s, is an excellent book, with all poems. The narration is done in a nice way with beautiful examples and simple phrases. The selected poem style is known to be very hard and having lots of rules to follow. Still the writer achieved his goal and succeeded in passing the message to win the hearts of readers.

This book was released in St. Louis City (August 2011) in the presence of Sri. Vemuri Venkata

Ramanadham (author of many books like Ramayana Smruthulu, Swathantrya Siddhi etc.), Sri Medasani Mohan (Very well known Pancha Sahasra Avadhani) and many more scholars. Sri V.V.Ramanadham wrote an article describing the beauty of the poems, the Similes', Metaphors used in different occasions, narration style of the story etc., which was published in a New Jersey based magazine "Telugu Jyothi".
