

Foreword

Sanghamitra wishes everyone a happy, prosperous, healthy, peaceful Telugu, Kannada, Maharashtra, Tamil new year.

We conducted Srinivasa Ramanujan Mathematricks Club during spring and summer of last year in two different locations namely in St. Louis, Missouri and Herndon, Virginia. We are planning spring session(s) for this year.

Continuing Vedic Mathematics sessions, Sanghamitra is now giving presentations on Stress/Anger management, meditation in small groups for quality life. These presentations proved to be helping lots of individuals and the others in their vicinity. We wish this helps the community and finally helps us achieving the world peace!

Srinivasa Ramanujan Mathematricks club organizing “Fun Dimension of Mathematics” and “Practicalulation using Vedic Mathematics” as and when time permits – we are not limiting the program to only spring and summer. This program will bring the application of Vedic Mathematics in different areas of Mathematics like Algebra, Geometry, Arithmetic and Trigonometry etc.

We are bringing this magazine after 5 years. We appreciate your letters & e-mails and thus your interest. On behalf of Sanghamitra, we thank you all for your encouragement. As always you can send your suggestions and comments to improving the magazine. If you want to share your ideas, please send mail to ainapura@yahoo.com.

Let us meet again in the next issue due in July.

-Sanghamitra Team.
