Betting!

Rohit: Hi Suresh! What were you doing there?

Suresh: Did you know that the world is going to end on December 12th, 2012?

Rohit: Common! It can't be true.

Suresh: You know many astrologers predicted it.

Rohit: So what were you doing at that betting gang?

Suresh: I was betting with them that the world is going to end on that day.

Rohit: What was the stack?

Suresh: Well! If the world ends, I will get all their property; If not, I lose my property.

Rohit: 😊 😊 😊 😊

Second place!

Sajit: Congratulations Sujit! I heard that you came in second place.

Sujit: Thank you for your wishes. I missed the first place due to one wrong thought.

Sajit: What is it?

Sujit: I was initially lagging. I picked up speed; passed the person in 4th place, passed the person in 3rd place; passed the person in 2nd place and then relaxed thinking I am in First place.

Sajit: 😊 😊 😊 😊 😊

Chocolate Fun

Rishi : Hey Tejas! Will you give me a chocolate?

Tejas : Why just one? If you can correctly guess how many chocolates I have then you can have them both.

Rishi : All right let me guess. Hmm... you have three chocolates.

Tejas: 😊😊😊😊

First place in running race!

Press person I : Sir! You set a record, which looks unbeatable. How could you achieve it?

Press person II : Who is inspiration for it?

Winner : Tommy! He made me realize my inner potential.

Press person I : Can you please introduce Mr. Tommy?

Winner : I don't know where he is now. I still remember, I met him at 7th street and Grand.

Press person II : Can you describe him?

Winner : Ofcourse! He is brown in color. Having 4 legs, one tail and barks once in a while.

Press persons : 😊😊😊😊

Horse-Wagon

Mother : What are you doing Chintu?

Chintu : See I have painted a horse and a wagon.

Mother : But where is the wagon?

Chintu : The horse will draw it.
