Crazy Boss!

A new energetic, arrogant person was given Manager role. Even though that person is not capable, he started showing off. The workers were little scared to deal with this tough guy. The new manager came out to the lobby and noticed a person carefully observing the notice board.

Boss : Hay! Man, what are looking into?

Person : Trying to figure out the coming holidays list.

Boss : You are supposed to work and finish your job. You are wasting time just looking into notice board. We do not need people who simply spend time during office hours.

(He gets wild and says) I am terminating you at this minute , take this amount (pays a month salary) and leave immediately!

Without any response that person leaves.

Boss : (to one of his subordinates) Who is that guy? What was his roll here?

Sub-ordinate : He is a pizza guy. He came to deliver Pizza!

Boss : ? ☹ ?
